

SOFTWARE DEVELOPMENT AGREEMENT

STATEMENT OF WORK (SOW) & DELIVERABLE SPECIFICATION

PROJECT DETAILS

Project Name: Eklavya Classes — Digital Management System

Document Version: 3.0 (Final)

Effective Date: May 10, 2026

Client:

Eklavya Classes, Bhavnagar, Gujarat
(Hereinafter referred to as “Client”)

Developer:

D&A Software Solutions, Bhavnagar, Gujarat
(Hereinafter referred to as “Developer”)

Authorized Contacts:

Darshan Savani — Co-Founder, Development & Systems

Phone: +91 9898837154

Email: savanidarshan18@gmail.com

Aayush Bankar — Co-Founder, Engineering & Data

Phone: +91 6351400725

Email: aayushbankar42@gmail.com

1. EXECUTIVE SUMMARY

The Developer has designed and delivered a web-based administrative system to digitize and manage operations of the Client’s coaching institute across multiple branches. The system replaces manual record-keeping with a centralized, secure, role-based digital platform accessible via desktop and mobile devices.

2. SCOPE OF WORK

2.1 Core Modules Delivered

- Fee Management and Revenue Dashboard
- Student Management System (CRUD + Bulk Import/Export)
- Teacher Management System

- Timetable Management
- Branch Management
- User Management with Role-Based Access Control
- Notifications System
- Reports and Analytics Dashboard
- Authentication and Profile Management

2.2 Additional Functionalities

- Excel export for records
 - Fee receipt generation (print-ready)
 - Global search functionality
 - Multi-theme UI system
 - Cloud deployment with containerization
 - API documentation
-

3. USER ROLES AND ACCESS CONTROL

Roles Defined

- **Owner:** Full access across system
- **Admin:** Branch-level operational control
- **Assistant:** Restricted read-only access

Access Enforcement

- Role-based backend validation on all API endpoints
 - Branch-level data isolation
 - Secure authentication via JWT tokens
-

4. SYSTEM SPECIFICATIONS

4.1 Technology Stack

Frontend: React.js, Bootstrap, Recharts

Backend: Django, Django REST Framework

Database: PostgreSQL (Production), SQLite (Development)

Infrastructure: Docker, Cloud Hosting (Render or equivalent)

4.2 Security Features

- Token-based authentication (JWT)
 - API rate limiting
 - Secure headers (HSTS, XSS protection)
 - Audit logging
 - Input validation and file validation
-

5. DELIVERABLE STATUS

All agreed core modules have been delivered and are operational unless explicitly stated:

Completed (100%)

- Fee Management
- Student & Teacher Systems
- Dashboard & Reports
- Authentication & Security
- UI/UX Implementation

Partially Implemented

- Test Scheduling (Backend available, frontend pending)

Not Included

- Attendance tracking
- Parent/Student portal
- SMS/WhatsApp integration
- Payroll/Expense tracking

6. ACCEPTANCE CRITERIA

- The system shall be deemed accepted if no critical defects are reported within **7 days** of delivery.
- Minor issues reported within this period will be addressed under the warranty clause.

7. SUPPORT AND WARRANTY

- **Warranty Period:** 30 days from acceptance
- **Scope:** Bug fixes in delivered features only
- **Exclusions:**
 - Third-party service failures (hosting, APIs)
 - Misuse or unauthorized modifications

Support Response Time:

- Critical Issues: Within 24 hours
- Standard Issues: Within 48 hours

8. COMMERCIAL TERMS

Total Project Cost: Rs. _____

Payment Structure:

- Advance: Rs. _____ (on signing)
- Final Payment: Rs. _____ (on delivery)

Optional Maintenance:

Rs. _____ per month

Payment Terms:

- Payments must be completed within 7 days of invoice issuance
 - Delay beyond 15 days may result in service suspension
-

9. INTELLECTUAL PROPERTY

- All source code, designs, and deliverables remain the property of the Developer until full payment is received.
 - Upon full payment, ownership is transferred to the Client.
 - The Developer retains the right to reuse non-client-specific components and frameworks.
-

10. CONFIDENTIALITY

Both parties agree to maintain confidentiality of all proprietary, technical, and business information exchanged during the project.

11. TERMINATION

- Either party may terminate the agreement with **7 days written notice**.
 - In case of termination:
 - Work completed up to the termination date shall be billed
 - Advance payments are non-refundable
-

12. LIMITATION OF LIABILITY

The Developer's total liability under this agreement shall not exceed the total project cost paid by the Client.

13. FORCE MAJEURE

Neither party shall be liable for delays or failures caused by events beyond reasonable control, including but not limited to natural disasters, internet outages, or government restrictions.

14. DISPUTE RESOLUTION

- This Agreement shall be governed by the laws of India.
 - Jurisdiction: Courts of Bhavnagar, Gujarat
 - Disputes shall first be attempted to be resolved mutually, failing which arbitration may be initiated.
-

15. FUTURE ENHANCEMENTS

Any additional features or modifications outside this document shall require a separate agreement and quotation.

16. ACCEPTANCE AND SIGNATURES

By signing below, both parties agree to the terms and scope defined in this document.

CLIENT — EKLAVYA CLASSES

Authorized Signatory:

Name: _____

Designation: _____

Date: _____

Signature: _____

DEVELOPER — D&A SOFTWARE SOLUTIONS

Darshan Savani

Co-Founder, Development & Systems

Signature: _____

Date: _____
